

Statewide Contract FAC53 - Category 2 Household Hazardous Waste Events

Prices are in effect until: 04/01/2012

Description: Hazardous material collection events, including all set up, materials and handling necessary to conduct such events at municipalities and other sites throughout the Commonwealth

Company Name:	Clean Harbors Environmental Services, Inc.	Clean Venture, Inc.	PSC Environmental Services, LLC (DBA - Northland Environmental)
Name:	Bob Smith	Michael Wedge	John MacDonald
Address 1:	42 Longwater Drive	PO Box 18143	275 Allens Avenue
City:	Norwell	Newark	Providence
State or Province:	MA	NJ	RI
Postal Code:	02061	07191	02905
Phone:	781-380-7126	508-872-5000	401-781-6340
Fax:	781-380-7194	508-875-5271	401-781-9710
E-mail:	smithro@cleanharbors.com	mike.wedge@cyclechem.com	jmacdonald@pscnow.com

Please note that these prices are "not to exceed" prices. Departments may negotiate with contractors to obtain more favorable pricing based on location, volume, and other circumstances that may lower handling and/or disposal costs.

HHW Per-Car Pricing Below Is The Default Rate Sheet For HHW Services Unless Customer Requests Per-Unit Pricing. Per-Unit Pricing Must Be Requested At Least Two Weeks Prior To HHW Collection Event Date.

Additional pricing information is available for containers, transportation and labor; unknown and abandoned waste; and emergency response. Please contact Stefan Malner at stefan.malner@state.ma.us or call 617-348-4004 to request additional information on these vendors or visit CommPass and search for "FAC53"

Disposal Code Specifications

All approved ("Approved") waste streams are coded with Clean Harbors' Waste Classification Codes, which define the specifications for drummed, containerized and bulked wastes. Wastes that are received not conforming to these specifications may be subject to additional costs. A completed waste profile sheet, sample, representative analysis or MSDS must be submitted prior to approval and scheduling.
